

Part No. 10622 (2700K),
Product Code: GU106.5W

Product Description

Delivering a warm, halogen/incandescent-like accent beam, It is an ideal retrofit solution for spot and general lighting applications. It is particularly suited to public areas such as receptions, lobbies, corridors, stairwells and bathrooms, where the light is on all the time. The robustly designed lamp has a clearly defined beam spread. There is no UV or IR in the beam, making it suitable for illuminating heat-sensitive objects (food, organic materials, paintings). This product is free of mercury and other hazardous materials.

Features

- Warm white light
- Up to 80% energy saving compared with halogen lamps
- Retro-fit with GU10 halogen lamps with GU10 socket
- Lower maintenance costs
- Dimmable with compatible dimmers only (not supplied)

Product Data

Capbase	GU10
Technical voltage	220-240V
Wattage	6.5 W
LEDs	4
Beam Angle	35 °
Lumens	350 lm
Colour Temp	2700K
Colour Rendering Index	80
Lifetime (LM70)	30,000 hours
