Installation Instructions: The end caps are supplied clipped in place and will need removal before installation. **(A):** Working from the front of the lamp, carefully insert the tip of a 5mm flat-head screwdriver between the edge of the bolt cap and the main lens. **(B):** Twist the screwdriver lightly to release the clip holding it in place. Repeat for the cap on the other side. Horizontal or Vertical Mount.
Wire Colour Code: Brown - Tail, Red - Stop, Yellow - Indicator, White - Earth
